A man, having applied to join the Clovis, New Mexico, police force, is being interviewed.

The Chief says, "Your qualifications are first-class but there is one test that you must pass before I can recruit you."

Sliding a small bag across the desk, he continues, "Take this gun with 13 bullets, and go out and shoot six illegal immigrants, six Obama delegates and a rabbit."

The man asks, "Why the rabbit?"

"Fantastic attitude!" says the Chief, "When can you start?"

Hinckley to be

released

You might recall that John Hinckley was a seriously deranged young man who shot President Reagan in the early 1980s. Hinckley was absolutely obsessed with movie star Jodie Foster, extremely jealous, and in his twisted mind, loved Jodie Foster to the point that to make himself well known to her, he attempted to assassinate President Reagan. There is speculation Hinckley may soon be released as having been rehabilitated. Consequently, you may appreciate the following

that the staff at the
mental facility, treating
Hinckley, reports to have

SEX WITH AN OLDER MAN.....

When George Burns was 97 years old he was interviewed by Oprah Winfrey.

Oprah asked, 'Mr. Burns, how do you carry so much energy with you? You are always working and at your age I think that is remarkable.'

Mr. Burns said, 'I just take good care of myself and enjoy what I do when I do it.'

Oprah said, 'I understand you still do the sex thing, even at your age.'

George said, 'Of course I still do the sex thing, and I am quite good at it.'

Oprah said, 'I have nev ER been with an older man, would

you do it with me?'

Merced Sun-Star 3033 N. G Street Merced, CA 95340

So they had sex and when they finished Oprah said, 'I just don't believe I have ever been so satisfied, you are a remarkable man.'

George said, 'The second time is even better than the first time.'

Oprah said, 'You can really do it again at your age?!'

George said, 'Just let me sleep for 1/2 hour. You hold my testicles in your left hand and my penis in your right hand and wake me up in thirty minutes.'

When she woke him up, they again had great sex, and Oprah was beside herself with joy.

She said, 'Oh Mr. Burns, I am astounded that you could do a repeat performance and have it be better than the first time... At your age, Oh My, Oh My!!!'

George said that the third time would be even better. 'You just hold my testicles in your left hand and my penis in your right hand and call me in thirty minutes.'

Oprah said, 'Does me holding you like that kind of recharge your batteries?'

George said, 'No, but the last time I had sex with a black woman she stole my wallet!'

In a recent survey carried out for leading toiletries firm 'Brut', people from Detroit have proved to be the most likely to have had sex in the shower!

In the survey, 86% of Detroit's inner city residents (almost all of whom are registered Democrats) said that they have had sex in the shower.

The other 14% said they hadn't been to prison yet.

I just had to pass this along. I couldn't help myself!

Do you know what happened 159 years ago this fall... back in 1850?

California became a state.
The people had no electricity.
The state had no money.
Almost everyone spoke Spanish.
