9 I, James Eichbaum, of the Stanislaus County Sheriff's Department, declare that I have
10 reviewed my department's investigative reports and that I am therefore informed and believe,
11 and there upon allege, under Stanislaus County Sheriff case number S10-18434.

12 That the Defendant(s) named and identified as,

13 Name: Kristine Ann Hansen, [REDACTED], a white female adult, 5'8", 110lbs, blond hair,
14 brown eyes.

15
16 And that the Defendant(s) has not been previously arrested or booked on the within
17 described offense 502(c)(2) PC (Unauthorized Access to Computer Data).

18
19 On May 20, 2010, I met with victim Mia Brudnicki who wanted to report that someone
20 had accessed her personal Yahoo! e-mail account without her authorization. The following
21 information was gathered during my investigation.

22 On May 7, 2010 at approximately 2112 hours, victim Mia Brudnicki's Yahoo! e-mail
23 account was accessed without authorization and an e-mail was forwarded to Emily Towner, a co-
24 worker of Brudnicki. The forwarded e-mail resulted in the reprimand of another co-worker, Dana
25 Ferreira.

26 The IP address of the computer used to forward the e-mail to Towner was found in the e-
27 mail's header. That IP address was 76.20.85.221 and belongs to the Internet Service Provider
28 Comcast Cable Communications. On June 14, 2010 a search warrant was obtained for subscriber
29 information of the account assigned that IP address on May 7, 2010 and was faxed to Comcast

1 Cable that same day. Comcast Cable replied via fax that the IP address was assigned to Forest
2 Hansen [REDACTED] in Merced, California.

3 Kristine Hansen lives [REDACTED] with her husband, Forest Hansen. Kristine
4 Hansen is a former co-worker of Brudnicki's. Hansen did not get along with Brudnicki or
5 Ferreira while she worked with them.

6 On June 30, 2010 a search warrant was obtained for the residence of Kristine Hansen
7 [REDACTED] in order to seize computers at the home. The warrant was
8 served on July 8, 2010 and two computer laptops were seized. Kristine Hansen was home when
9 the warrant was served. She told me she was the only one who uses her laptop computer. She
10 had issues with Brudnicki and Ferreira when she worked with them and told me, "They hated
11 me....They did everything they could to get me in trouble."

12 On July 8, 2010 a computer forensic examination was conducted on Kristine Hansen's
13 laptop computer. Evidence was located on the computer establishing that it had been used to
14 access victim Brudnicki's Yahoo e-mail account the evening of May 7, 2010 at about 2058
15 hours. Additional evidence on the laptop indicated that the laptop was used to access Brudnicki's
16 e-mail account on potentially hundreds of occasions and that it had also been used to access
17 Brudnicki's Facebook account as well.

18
19 I declare under penalty of perjury that the forgoing is true and correct, except as to those
20 matters stated upon information and belief, and as to those matters, I believe them to be true.
21 Executed on this, 12th day of July, 2010 in Modesto, County of Stanislaus, State of California.
